

HTML Page Report: "Games for Children"

1. Document Type and Language:

- The document is an HTML5 document.
- The language is not explicitly declared in the <html> tag.

2. Head Section:

- **Title:** "Games for Children" - This is the title displayed in the browser tab or window title bar.
- **Stylesheet:** Links to an external CSS file named Style_01.css. This file controls the visual presentation of the page.

3. Body Section:

- **Header (div class="header"):**
 - Contains the main heading: "Games for Children" (<h1>).
 - Includes a tagline: "Rules and more" (<p>).
- **Photo Grid (div class="row"):**
 - Organized into three columns (div class="column").
 - Each column contains multiple images () wrapped in anchor tags (<a>).
 - Images are linked to individual game pages.
 - A total of 12 images are displayed in this grid.
 - Image sources and corresponding links:
 - Jump_rope_250x200.jpg -> jumprope.html
 - Hops250x200.jpg -> hoops.html
 - Tag_Rugby_250x200.jpg -> tagrugby.html
 - Hide_and_Seek_250x200.jpg -> hideandseek.html
 - Jenga_250x200.jpg -> jenga.html
 - BasketBall 250x406.jpg -> basketball.html
 - block 250x200.jpg -> block.html
 - chess 250x200.jpg -> chess.html
 - Capture_the_flag_250x200.jpg -> Capture the Flag.html
 - monopoly 250x200.jpg -> monopoly.html
 - sacrace 250x200.jpg -> sackrace.html
- **Navigation Bar (div class="navbar"):**
 - Includes standard links: "About us" (aboutus.html) and "Contact Us" (contact_us.html).

- Features a dropdown menu for "Games".
- The dropdown content lists 11 specific games with links to their respective HTML pages:
 - Jump Rope (jumprope.html)
 - Hoops (hoops.html)
 - Tag Rugby (tagrugby.html)
 - Hide & Seek (hideandseek.html)
 - Jenga (jenga.html)
 - Basketball (basketball.html)
 - Blocks (block.html)
 - Chess (chess.html)
 - Capture Flag (capture the flag.html)
 - Monopoly (monopoly.html)
 - Sack Race (sackrace.html)
- Note: There is a discrepancy between the number of games in the photo grid (11 unique links, 12 images total) and the dropdown menu (11 unique links). The basketball image/link appears only in the photo grid.
- **Home Container (div class="Homecontainer"):**
 - Contains two main sections (within div elements).
 - The first section provides introductory text about the website's purpose: offering rules and instructions for children's games.
 - The second section contains a slideshow (div class="slideshow-container").
 - **Slideshow:** Displays images and text captions, linking to individual game pages.
 - A total of 9 slides are defined.
 - Image sources and corresponding links:
 - Jump_rope_250x200.jpg -> jumprope.html
 - longtenis 250x200.jpg -> longtenis.html
 - monopoly 250x200.jpg -> monopoly.html
 - Jenga_250X200.jpeg -> jenga.html (Note: different extension .jpeg vs .jpg in photo grid)
 - Capture_the_flag_250x200.jpg -> Capture the Flag.html
 - Hide_and_Seek_250x200.jpg -> hideandseek.html
 - sackrace 250x200.jpg -> sackrace.html

- block 250x200.jpg -> block.html
- chess 250x200.jpg -> chess.html
- Includes navigation buttons (prev, next) and dot indicators (dot) with associated JavaScript click handlers (plus_Slides, currentSlide).
- Note: The slideshow includes a game "Long Tennis" (longtenis.html, longtenis 250x200.jpg) which is not present in the photo grid or the dropdown menu. The dropdown and photo grid include "Hoops" and "Tag Rugby" which are not in the slideshow. The slideshow includes "Jenga" with a .jpeg extension while the photo grid uses .jpg.
- **Footer (<footer>):**
 - Contains a table with links to "About us", "Contact Us", "Site map", and "Legal".
 - Includes a copyright statement: "© 2024 My Company. All rights reserved." (div class="copyright").
- **JavaScript:**
 - Links to an external JavaScript file named script1.js. This file is likely responsible for the slideshow functionality.

4. Purpose of the Page: Based on the content (title, headings, introductory text, game links), this page serves as a homepage or landing page for a website dedicated to providing information, rules, and instructions for various children's games. It uses a photo grid and a slideshow to visually present the available games and provides navigation options to explore them further, along with links to informational pages like "About Us" and "Contact Us".
